```
var map;

google.maps.event.addDomListener(window, 'load', function() {
  map = new google.maps.Map(document.getElementById('map-canvas'), {
    center: { lat: 20, lng: -160 },
    zoom: 3
  });

  // Get the earthquake data (JSONP format)
  // This feed is a copy from the USGS feed, you can find the originals here:
  // http://earthquake.usgs.gov/earthquakes/feed/v1.0/geojson.php
```

```
var script = document.createElement('script');
script.setAttribute('src',
  'https://storage.googleapis.com/maps-devrel/quakes.geo.json');
document.getElementsByTagName('head')[0].appendChild(script);
});

// Defines the callback function referenced in the jsonp file.
function eqfeed_callback(data) {
  map.data.addGeoJson(data);
}
```
